

# Keller Varsity Bass Team

## Sponsorship Information

The Keller Varsity Bass Team is a high school fishing team associated with the Texas High School Bass Association (THSBA.) Our team fishes against dozens of other high school teams in our division. We compete for scholarship awards, prizes, and for the coveted Team of the Year trophy that is awarded at the end of the regular season. Keller Varsity Bass Team has won the Team of the Year twice and consistently places in the top 5 teams.

Our team relies on the generous donations from our sponsors. Your sponsorship supports our anglers and helps to build character and responsibility in them. We use your sponsorship dollars to pay entry fees, pay our dues to the THSBA, pay for team jerseys and a banner, and to cover other expenses that we incur each year.

**We are a 501(c)(3) organization, and your sponsorship donation to us is tax-deductible.**

Sponsorships are a one-time donation for the year. We have several different sponsorship levels available.

We must have your sponsorship payment and logo no later than **July 31<sup>st</sup>** in order to get logos on our jerseys.

Sponsorship Level	Sponsor Benefit
\$250.00	Small logo on our team banner
\$500.00	Small logo on our team banner and jersey &
\$750.00	Medium logo on our team banner and jersey
\$1000.00	Large logo on our team banner and jersey
\$1500.00 and up	Large logo on our team banner and jersey with premium placement & commemorative sponsor team jersey

Because a large portion of our expenses occur at the beginning of our season, we do not offer refunds on any sponsorship donations.

Visit our website ([www.kellerbassteam.com](http://www.kellerbassteam.com)) to fill out our online Sponsorship form. Payment can be made there as well.

You can pay online or by check payable to "Keller Varsity Bass Team."
